EXPLANATORY NOTE

(This note is not part of the Instrument and does not purport to be a legal interpretation).

These regulations are made under the Ethics in Public Office Act 1995 (No. 22 of 1995) to apply the provisions of the Act to individuals occupying specified positions in the Civil Service and in the wider Public Service. The Regulations designate certain positions in the Public Service as either “designated directorships” or “designated positions” as defined in Sections 17 and 18 of the Act, respectively. Persons occupying positions designated in these regulations are required to furnish a statement of registrable interests (as defined in the Second Schedule to the Act) to such officer or relevant authority (as defined in Sections 17 and 18 of the Act) within their organisation. Persons occupying positions designated as “designated directorships”, will also be required to furnish a statement of registrable interests to the Standards in Public Office Commission.

The relevant authority in each of the public bodies will be specified by the Minister for Finance and details will be available in an Appendix to the Standards in Public Office Commission’s “Guidelines on compliance with the provisions of The Ethics in Public Office Acts 1995 and 2001 – Public Servants (Third Edition).”
